2010 HOMEGROWN FESTIVAL, TWO WEEKS REMAINING

With a few weeks still remaining of the Coromandel Homegrown Festival, Tourism Coromandel's Event Manger, Megan Etherington points out 'There is some great stuff still on offer to entertain during the last two weeks of the Homegrown Festival'. 'We have the annual Monteith's Coromandel Café Crawl Awards evening, held this year at the Pepper Tree Restaurant in Coromandel Town, a chocolate making workshop in Whangamata, the Coromandel Homegrown food trail, the ever popular Thames and Coroglen Farmers Markets and the Coromandel Town Homegrown Community Market.

There is also plenty of live music including the Feijoa Festival, sounds from Simon Donald to the All Star Blues Band and Soul Sax Plus.

So far the month long festival has celebrated the tractor bash in Hahei, the Great Coromandel Arts Tour, the Ukulele Festival, the Monteith's Coromandel Café Crawl and various other music, art and food events. Over 20 events have been involved in this year's festival which have proved to be a great success.

The wider festival runs from 1 May – 31 May. A full program is available on line from www.homegrownfestival.co.nz
